President's Report

Dear Subiaco Football Club Members, Supporters, and Partners,

As the 2025 season draws to a close, I want to take a moment to reflect on the year that's been - one defined by resilience, renewal, and a shared belief in what makes our club special. While the results on the field didn't always reflect our ambitions, there's a deeper story at play. One of evolution, people, and pride in the maroon and gold.

More than ever, I've been reminded that Subiaco is not just a football club. It's a community built on belonging, care, and connection. And for that, I want to begin simply by saying thank you to every member, volunteer, supporter, player, coach, and partner who stood by us this season. Your loyalty and love for this club continue to define who we are.

A Year of Change and Renewal

This year has been one of the most significant periods of change in our recent history. And while change can sometimes feel uncomfortable, I've always believed that true success comes from the willingness to evolve - to keep improving, to stay curious, and to never settle.

Throughout 2025, we have made deliberate decisions to position Subiaco for the next phase of success. The steps we've taken across our football, operations, and leadership structures have all been guided by one clear goal: to build a stronger, more unified Subiaco - one that honours our heritage while preparing for the future.

Farewelling a Club Leader

After nearly 15 years at the helm, we farewelled our long-standing Chief Executive Officer, Peter Capes. Peter's time with the club spanned periods of success - including five premierships, as well as significant change. His leadership has shaped many aspects of the organisation, influencing everything from our operations and culture to the way the club engages with its members, players, and community.

On behalf of the Board, our members, and the broader Subiaco family; thank you, "Capsey".

Acknowledging Our Coaches and Football Leaders

This year also marked the departure of Beau Wardman as our Senior Men's Coach. Beau's time at Subiaco has been defined by meticulous preparation and dedication; from his early days leading our Colts to a premiership, to guiding our league team to two flags as Senior Coach. We acknowledge his time at the club.

When Beau stepped down mid-season, Nigel Hamilton answered the call - the ultimate club person, stepping in to lead with calm, respect, and care. Nigel's leadership helped guide our group through the remainder of the season, and his willingness to serve wherever needed reflects the heart of what makes Subiaco special. We thank Nigel for his tremendous effort and contribution.

Welcoming New Leadership

As one chapter closes, another begins, and we are genuinely excited for the future of our football club.

We are delighted to welcome Kellie Properjohn as our new Chief Executive Officer. Kellie brings an incredible depth of experience from both the corporate and football worlds, including nearly a decade of service to the Subiaco Football Club and time working at AFL level. Her understanding of the club, coupled with her professional leadership experience, makes her the ideal person to guide our next phase of growth.

We also welcome back Jarrad Schofield as our Head Coach. Jarrad is no stranger to the Subiaco family - a multiple-premiership player and coach who embodies what it means to be a Lion. His standards are undeniable. His approach to high performance, development, and team culture will be instrumental as we build toward sustained success. Importantly, Jarrad's deep connection to Subiaco, having started here as a junior, brings our story full circle. We couldn't be more confident in his leadership of our football program.

Our Women's Program: A Source of Pride

If there was one shining light across 2025, it was our women's program. Under the leadership of Coach Baker Denneman, Captain Tess Lyons, and the entire coaching and support team, our women represented the very best of Subiaco. From pre-season right through to finals, the spirit, professionalism, and unity they displayed were nothing short of inspiring.

These women have become a beacon for our club, showing what pride, resilience, and belonging truly look like. Their example has strengthened the Subiaco culture and set the standard for how we want to be seen across all levels of the game.

A special congratulations must go to Krstel Petrevski, who was awarded the 2025 Dhara Kerr Medal for the WAFLW's best player. Krstel's season was simply outstanding. Her performances were not only consistent and courageous, but they reflected the values that underpin our club. Congratulations, KP, on an exceptional year.

Thankyou to Our Partners and Sponsors

I also want to extend a heartfelt thank you to our partners and sponsors for their incredible support throughout the year. The breadth of organisations that stand behind Subiaco – from local businesses to long-standing corporate partners, reflects just how deeply our club is woven into the fabric of the community.

Your contribution goes far beyond financial support. You help us provide opportunities for our players, strengthen our programs across men's and women's football, and ensure we can continue investing in facilities, talent, and community initiatives. Thank you.

Thank You, Hilly

After 30 years of incredible service, we say a heartfelt thank you to Kevin "Hilly" Hill, who is retiring as our Little League coach. Over three decades, Hilly has welcomed thousands of young players and their families to Subiaco, giving so many their very first experience of what it means to be part of the maroon and gold.

Hilly is the epitome of the Subi spirit; loyal, selfless, and passionate. Few people have given more to our club, and his contribution will be remembered for years to come. 100% Subi, Hilly.

Leadership Through Change

Our Board has played an enormous role in helping steer the club through this period of renewal. Every decision made this year; from leadership transitions to long-term strategy, has been grounded in what's best for Subiaco, both now and for generations to come.

The dedication of Luka Zivkovic, Dwayne Lamb, Garry Addison, Kristi Annear, Scott Wright, Nikki Bower, Jenna Rennick, and Brent Irving has been remarkable. It's been a privilege to work alongside such a passionate and capable team of people who not only care deeply about the club, but about ensuring its future remains strong and sustainable.

Looking Ahead to 2026

We are genuinely optimistic about what lies ahead. The foundations we have laid, the people we've brought into leadership roles, the culture we are nurturing, and the structures we are building all point toward a strong and exciting future.

We firmly believe that great clubs are built on great people. Our focus remains on attracting the right individuals, empowering them to do meaningful work, and creating an environment where success becomes inevitable.

The progress we've made in recent months gives us every confidence that 2026 will be a defining year; one that sees us stronger, united, and ready to rise again across every part of the club.

A Personal Thank You

Finally, I want to extend my heartfelt thanks to my wife Lucy, and our children Louis, Sadie, and Jude. Like so many families across the Subi community, we love coming down to the footy together - it's become part of who we are. Your support, patience, and enthusiasm make it possible for me to do what I do, and I couldn't be more grateful.

To our members, supporters, players, volunteers, and partners – thank you. Thank you for believing in Subiaco, for standing by us through change, and for helping us continue to be a club where you belong.

See you at the footy in 2026.

Russell 'Rusty' Smith
President, Subiaco Football Club

CEO Report

Leading the Lions for the last fifteen years has been an absolute honour. In that time, I have been very fortunate to work with a Board and staff that have been excellent support and some of the best coaches, support staff and volunteers in the WAFL.

To have led the club through its most successful era in its' 125-year history and making the club the envy of the competition has been tremendously satisfying to all of us.

- Eight (8) WAFL League Grand Finals
- Five (5) WAFL League Premierships including the 2018 undefeated league season plus both reserves and colts' grades won the premierships, never achieved before in WAFL history.
- Three (3) Reserves Premierships
- Two (2) Colts Premierships (we have only 4 in over 100 years)

During this time there have been a lot of people in our key roles and I thank them all for their dedication and drive to make our club a success.

- Presidents: Neil Randall, Mark Lawrence (for 12 years) and now Rusty Smith.
- Over 20 Board members, including long time Directors Dwayne Lamb, John Martin, Basil Fuller and Nathan O'Connor.
- Senior Coaches: Muddy Waterman, Jarrad Schofield and Beau Wardman.
- Footy Managers: McBean, Sanders, Vido, Farmer & Dicko.
- Talent Managers Neil Arnold and Stu Berryman.
- Commercial Managers: Trav Kalin, Cam Palmer, Zac Acott, Will Rollo and Joe Georgiades.

By any measure, we are a very successful State League football club, envied by other clubs, held in high esteem in the industry and a destination club for players and coaches.

But that has not always been so. The challenges presented to me 15 years ago where the club was in major change, our operations at Subiaco Oval were about to finish and our financial future was incredibly bleak no doubt focussed our attention, but we fought our way through all that.

The last season or so has presented the club with the most change since that time and we face some challenging times.

With the departure of Mack Sheppard and Karen South, the club took the option to make some significant changes to our operations.

We welcomed a partnership for our bar and function business with The Leederville Precinct through David Mack and his team.

We also outsourced our financial operations & payroll to the Carbon Group and at my retirement both are still a work in progress.

Our coach departed and unfortunately so has Kristian Dicton as the Football Operation Manager. My personal thanks to Dicko for embracing the all-in club concept, for going the extra yard and always with the best interests of the club and our players in the front of his mind. Good luck Dicko and thanks for your contribution.

The recent appointment of Jarrad Schofield is an excellent opportunity for the club to rally and move forwards. Schoey's impact is clear; he'll promptly raise our performance and standards on the field.

On retirement I reflect on our achievements, and we are in excellent shape as a club.

- The Leederville Oval Phase 1 upgrade with more promised stages over the next 2 to 5 years sets up our home for the future.
- The development of an enhanced second training facility at Des Penman, featuring two ovals, change rooms, educational spaces, and additional amenities, will provide significant benefits to our talent and women's programs.
- We have a strong balance sheet and annual breakeven P&L is an annual reality, we have stable long term major partners including oval naming rights.
- With Schoey being appointed, we have new experienced assistants & have already recruited some players and look to improve our list further to ensure we bounce quickly next season.
- Finally, some community programs commenced thanks to Ben Haywood and that's sure to be a major focus area going forwards.

My thanks to our recent staff, Stuart Berryman is outstanding in the Talent programs, Joe has been excellent in the sponsorship area and Mia is growing in her role. Ben Haywood has provided great support to the W program and other areas of the club.

Being awarded a Life Membership of this club is the highest honor we have, I will treasure that and thanks for the recognition

Many thanks to Rob Nylander and the TRG over the years, and our other fantastic support staff.

I know Kellie will thank our sponsors and other key staff and best wishes to Kellie and Rusty.

I have loved my time at the Lions, see you all at the footy.

Peter Capes
Former CEO

Senior Coach's Report

To achieve success at WAFL league level a lot has to go right, there are no short cuts, and all the little things do matter. One must be all in and if so, the rewards come, if not, the game catches you out. I have experienced the Subiaco Football Club at its best. It is its people that create the culture. It's fair to say most of those synonymous, on and off the field, with the great Subiaco Football Club culture we often speak of are no longer at the club. It is now time for the club and its people to create its own winning culture and return our great club to where it should be.

Season 2025 started with great planning and expectations kicking off with a successful pre-season camp. It's clear from a win / loss perspective the season didn't play out the way in which one would hope. We know why and the work is well under way to fix this.

At league level we played 41 players across the season, we had 15 players make their club league debut. This provides the club with a sound launch pad into 2026 with such a significant number experiencing league football. Watching a player receive their playing jumper from a club great in front of family, friends and team mates and playing some part in that is one of the great rewards in coaching. I look forward to watching 15 careers grow next year.

I want to take this opportunity to congratulate and thank Beau Wardman for his contribution to the football club. Those of you that know Beau, know that the Subiaco Football Club was Beau's main focus and priority for 7 years at league level and 2 years at Colts level. Beau's time at the Lions sees him having coached this club to 2 League premierships and 1 Colts premiership. At last count, Beau contributed to circa 21 players being drafted to the AFL with most recent recruit Archer May going to the Bombers in the mid-season draft of 2025.

As a coaching group we work long hours together and become a second family to each other. To Matt Priddis, Mick Ablett, Jamie Battigelli and Tom Lowndes, thank you for your commitment, hard work, dedication and friendship. Kellie Properjohn, thank you for the time you donate to the club and our players.

Game day support is vital with the coaches and players appreciative of the support. Thank you Zuka, Chaddy, Lindy, Jamie, Locks, Lucas, Jaxon and thank you to those that filled in in different roles from week to week.

To the football department staff, volunteers, administration, the board lead by Russel Smith, the Golds, Past Players, Sponsors and most importantly our families. Your contributions are significant and appreciated. You all want the same as we do – watch our players enjoy the game, contribute to the club, do well and win.

Special thanks and congratulations to newly appointed life member and retiring CEO Peter Capes. What a contribution over what is arguably one of the most successful areas of the football club. To Kristian Diction (Dicko), thank you for your support, trust and on a personal level, your friendship. The support of both Peter and Dicko in the football program has been unwavering. You have both worked hard and experienced great success at the football club. I wish you both and your families all the best in what life brings next.

Nigel Hamilton
Senior Coach

Reserves Coach's Report

When I look back on the Reserves season, the word that comes to mind is growth.

Across the year, our group faced plenty of challenges – injuries, player movement, coaching changes that tested our adaptability. Through all of that, the group kept showing up, working on their craft, and finding ways to get better.

We finished sixth with a 7-9 record and a percentage of 71.3%, narrowly missing finals by percentage. While that was tough to take, the resilience and improvement the players showed each week was something to be proud of.

The real success of 2025 came in development. A total of 55 players represented the Reserves this year – a reflection of the depth within our program. Every available listed player had an opportunity to play senior WAFL football at some stage, showing the club's commitment to rewarding performance and providing opportunity.

We also saw 18 players transition from the Colts program and play senior football in 2025, further highlighting the strength of the Subiaco development pathway. Importantly, 11 players who spent significant time in the Reserves went on to make their League debut this season, a fantastic reward for their consistency and growth. Those milestones remind us of what this level is about, preparing players for the next step and ensuring Subiaco continues to develop its own.

Individually, Lachlan O'Keefe had another standout year, winning the Reserves Best and Fairest for the second consecutive season and earning his League debut. His consistency and commitment to development set a strong standard for others to follow. Kieran Douglas was awarded the Coaches Award after a year built on relentless effort and continual improvement. His pressure and work ethic made him one of our most dependable players, and he too was rewarded with a League debut.

As a group, we embraced the balance of expressing flair and individuality while still functioning as a united team. Our final game against Perth summed up our journey. Facing plenty of adversity, the group refused to give in. Every player stood up and owned their moment, seasoned WAFL players to those on debut. That performance captured what we've been building towards, a side that competes for each other regardless of circumstance.

I want to acknowledge the many people who made this season possible.

To Beau Wardman and Kristian Diction – thank you for bringing me into the senior program and for your belief and trust that allowed me to grow quickly in the role.

To the League coaching staff – Beau, Nigel Hamilton, Jamie Battigelli, Mick Ablett, and Matt Priddis – thank you for your collaboration and willingness to share knowledge and ideas, while ensuring our players had consistency to transition smoothly between grades.

To Kellie Properjohn, your presence and thoughtfulness in the coaches box was invaluable. Having someone to bounce ideas off, reflect with, and challenge my thinking made me a better coach, and I wish you nothing but success in your new role as CEO.

To Jackson O'Malley, thank you for the energy and commitment you brought to our program. From Runner to Assistant Coach, you were a crucial part of our program. I'm extremely grateful for your support of the players and of me personally and professionally.

To Jordan Lockyer, I am grateful for your time that you spent with us as a game day assistant coach. Your ability to educate and develop our players was exceptional.

To the broader support staff – our property and medical teams, all of those who assisted me on match-day, and everyone who puts time into making sure our players are ready each week, thank you. Your work gives our players the best chance to perform and keeps our environment professional and connected.

To our players – thank you for trusting me. When a new coach comes in, it takes courage to buy in and commit to a new voice, but you did. That allowed us to see genuine growth across 2025.

It's been a year of challenges, but more importantly, a year of growth. The foundations are in place for something special, and I have no doubt that this group will continue to raise the bar in 2026. I'm excited. Hope you are too.

Tom Lowndes
Reserves Coach

Women's Football Manager Report

The 2025 season was an outstanding success for the Subiaco Women's Program, highlighted by the League side finishing in the top two and narrowly missing a place in the Grand Final by less than a goal.

Coaching

Head Coach Baker Dennman returned for his second year at the helm of the Women's League team, ably supported by Charli Thomas (current West Coast Co-Captain), Aimee Schmitt (former AFLW player), and Ashton Williamson. The team also benefited from the expertise of Harry Beaton and Michael Mills, both of whom held key development roles within the program.

While recovering from an ACL injury, Macey Fair provided valuable match-day support and served as the team's statistician.

In the Rogers Cup, Stewart Horton led the program for the first time as Head Coach, supported by Jazz Hay, Saira Dalal, Brad Haseldine, and Sholai Cantwell. Jon Sharpe also provided mentoring support to our developing coaches, which proved invaluable throughout the season.

To all our coaches, thank you for fostering an environment that promotes growth, resilience, and excellence, and for providing our players and staff with opportunities to reach their full potential.

Off-Field Support

Our off-field team was exceptional. Tori Carta, our Strength and Conditioning Coach, was a favourite among players and played a pivotal role in elevating the program to a new standard, an improvement clearly reflected in our on-field performances.

The West Coast Physio team, led by Kai O'Loughlin, ensured our players were well cared for and supported by Julia Ocean, Isla Baroni, Bea Develyn, and Abbie Strickland. Catrina Gallio also provided invaluable emotional and wellbeing support to our players throughout the year. Thank you to Sarah Debore as our match day doctor.

A special thank you to Amali Jayasekere, who stepped into the role of Team Manager for the Rogers Cup program and was a well-deserved recipient of recognition at the Sarah Mitchell Medal evening for her outstanding service.

Thanks also to Anthony Bosich for his consistent assistance with the scoreboard and timekeeping duties at our home games.

Players

Our players remain the heart of the Subiaco Football Club, and it was particularly pleasing to see the seamless transition of several athletes from Rogers Cup into senior football ranks. The club also welcomed former AFLW players Paige Sheppard and Lisa Steane, both of whom made an immediate impact – finishing in the top five of the Sarah Mitchell Medal count in their first season with Subiaco.

While football is ultimately a team sport, individual achievements are worthy of recognition. Krestel Petreski had a remarkable year, winning both the Dhara Kerr Medal as the league's fairest and best player and a second consecutive Sarah Mitchell Medal as Subiaco's fairest and best. KP is an exceptional ambassador for our club and a role model to all within the program.

To Tess Lyons and Jas Farnham, our captains, thank you for leading with pride, courage, and integrity throughout the season.

On a bittersweet note, we farewell several long-serving players, Aimee, Claudia, Jess, Lauren, and Bea, who have given their all week in and week out. We extend our sincere gratitude for your dedication and contribution to our program. You leave the club in a better place for your involvement, and we wish you every success in the future. Please don't be strangers.

Office and Administration

Behind the scenes, our small but dynamic Subiaco office team continues to embody teamwork and commitment. No task is ever too big or small, and every challenge is met with collaboration and good humour.

A heartfelt thank you to Peter, Karen, Dico, Stu, Mia, Joey and Said for your ongoing support, positivity, and for reminding us that, at the end of the day, it's all about enjoying the game we love.

Finally, our sincere thanks to the Subiaco Football Club Board, led by Rusty, for their continued dedication and support of the Women's Program.

Ben Haywood
Women's Football Manager

Women's Coach's Report

The Subiaco Women's Program is built on Connection, Care, and a Relentless Drive to Be Better – principles that reflect the heart of the Subiaco Football Club.

These pillars intertwine with our club values of Respect, Sacrifice, Hunger, and Ruthlessness.

They shape how we train, how we play, and how we represent the jumper.

- Respect for our teammates, the game, and those who came before us.
- Sacrifice to put the team before self.
- Hunger to compete, grow, and never settle.
- Ruthlessness in our pursuit of excellence and our standards each week.

Together, these values form the DNA of the Subiaco women's program and the football club as a whole – a culture built on unity, purpose, and pride.

Season Overview

The 2025 season was a rollercoaster of emotion, growth, and plenty of bloody fun.

From the outset of preseason, we aimed to build on the strong foundations of 2024 – and the group delivered. They embraced every challenge, chased improvement relentlessly, and quickly proved that their collective work ethic would hold them in good stead.

We played a brand of football that was fast, fearless, and team-first. Our connection as a group drove performance on and off the field. The players held themselves to high standards, supported one another through challenges, and never lost sight of the joy in competing together.

There were thrilling wins, gritty contests, and lessons that will stay with us. Through it all, the group stayed true to what makes Subiaco strong – our identity, our unity, and our hunger to compete.

While the season ended short of our ultimate goal, I couldn't be prouder of how we stood tall, stayed connected, and represented this club with pride. The fire is well and truly lit for 2026.

Program Strength & Support

Behind every performance stands a team of dedicated professionals who ensure the program runs at an elite level.

Tori Carta and her strength and conditioning staff were instrumental in player development, recovery, and wellbeing. Their professionalism and care created a high-performance environment that allowed our athletes to flourish.

Our broader support staff continued to set the standard for excellence – ensuring every session, game, and moment was supported with precision and care. They helped build an environment that reflects what Subiaco stands for – connected, professional, and people-first.

Coaching Group

This year's coaching group played a vital role in shaping the on-field identity and off-field growth of our players. Each brought unique expertise, energy, and care to the program — from player development to tactical execution and mentoring future leaders.

Their commitment to our "team-first" approach and their ability to connect with the group ensured the program not only improved, but continued to evolve. Their influence will be a major driver in the program's success heading into 2026.

Community & Pathways

A key strength of the Subiaco Women's Program lies in its strong and growing pathways.

Our partnerships with community clubs across the Subiaco district continue to thrive, fostering collaboration, alignment, and genuine opportunity for players at every level.

The Rogers Cup Program has been a standout — providing young talent with exposure to elite training standards, mentoring, and a clear path into senior football. This program has become the heartbeat of our player development system and will continue to feed our league side with homegrown, Subiaco-built footballers.

Our regional engagement work has also expanded, allowing country players to access opportunity and growth within the Subiaco system. Together, these initiatives form the foundation of our women's football future — the strength from beneath that ensures long-term success and sustainability.

Looking Ahead to 2026

The 2025 season will be remembered as one of growth, pride, and progress. It reaffirmed everything that makes Subiaco special — our connection, care, and relentless hunger to be better.

This group embodies what it means to wear the maroon and gold. We're proud of how far we've come, and even more excited for what's ahead.

As we prepare for 2026, excitement and belief run deep. With a stable playing group, consistent coaching structure, and a clear vision, the program is perfectly positioned to take the next step.

The culture we've built — one grounded in care, connection, and competition — is now ingrained in everything we do. The future of the Subiaco Women's Program is bright, and we're ready to continue the climb.

Go Lions.

Baker Denneman
Women's Head Coach

Roger's Cup Coach's Report

2025 has been a year of growth, resilience, and development for the Subiaco Rogers Cup program. Across the season, 44 players represented the side, with 22 making their debuts, highlighting both the strength of our pathway and the depth of talent emerging from our community clubs. Importantly, six Rogers Cup players progressed to make their league debuts, a testament to the program's ability to develop and prepare players for the next level.

At the representative level, I am extremely proud of Marley Kelman and Caitlin Boss for their selection in the WA U16 State Team, with Caitlin also representing School Sport WA at the U15 National Championships.

The program continues to grow, not only on-field but also in leadership and development. It has been fantastic to see past players such as Jazmyn Hay and Sholai Cantwell transition into coaching roles, inspiring the next generation.

I want to acknowledge the outstanding contributions of our support staff, whose dedication was instrumental to the development of the program this season. Tori Carta and her team across both medical and strength & conditioning played a crucial role. Team Manager, Amali Perera, continually set high standards of excellence, ensuring gameday ran seamlessly while providing exceptional support to players and staff alike.

The coaching group benefited greatly from the inclusion of coaching mentor Jonathon Sharp, whose experience and steady guidance were invaluable throughout the year. I'd also like to extend my appreciation to Brad Haseldine and Saira Dalal, whose ongoing commitment over the past three seasons has provided the program with much-needed stability and continuity.

The women's program has continued to strengthen its connections with community clubs. This ongoing collaboration has been central to developing talent, sharing resources, and fostering growth within the Subiaco district. Work in regional areas has been instrumental in expanding our reach, providing country players with genuine opportunities to integrate and thrive within the Subiaco system.

This season was not without challenges. The first half of the year was marked by frequent changes to training bases and schedules, yet the players embraced these obstacles with maturity and adaptability. We also endured numerous season-ending or long-term injuries, which tested our depth and resilience. While difficult, these setbacks created opportunities for players to step into new roles and gain invaluable experience, accelerating their development.

What has stood out most in 2025 is the excitement and energy of the younger players entering the program. Their eagerness to learn, combined with the leadership of experienced players and staff, created an environment focused on education, growth, and setting strong foundations for future success. The fact that four first-year players finished in the top 10 for votes highlights the talent and promise already emerging from this group.

Looking ahead to 2026, I am excited about the opportunities that come with a stable playing group and consistent coaching structure. I'm incredibly proud of how far the program has come and even more excited about where it's heading. The character, commitment, and care shown by this group embody what it means to be part of Subiaco. The future is bright, and I look forward to seeing this group continue to grow, compete, and represent the club with pride in 2026 and beyond.

Stewart Horton
Roger's Cup Head Coach

Talent Development Report

2025 Season Summary

A reflection on key words through last 2 seasons of firstly change and then consistency has resulted in reward as the club is seeing the benefit of a strong talent system through a number of local players being rewarded with opportunity in the senior program, showing the talent pathway is working. We saw 9 players out of the colts program from the last 2 years make their league debut as well as an AFL debut and contribute strongly to their sides. As a talent manager, there is no prouder moment and look to continue to strengthen this pathway in years to come.

Talent finally had their first full season training at their new home at Des Penman reserve, feeling comfortable with plenty of space with 2 ovals and the new 2 story facilitate to accommodate gym, changerooms, rehab facilities and player education. With 8 new floodlights, we were able to train year round what is finally in the Subiaco District with the focus of bringing football back to the North East Corridor.

Colts

The 2025 colts season was filled with challenges and successes which may have ended in disappointment for a few but overall prepared the next bunch of 18 year olds best to make their transition to senior football. 2 of our coaches in John Mansbridge and Anthony Detata were deservingly asked to help coach the State 18s and 16s academies respectively, which paved the way for Dave Hay, Mark Sandwell and Jeremy Dyer to step up into their positions in their absence. This was seamless and a different point of view supported the growth of the players.

We finished the season having exposed 51 boys to colts level football, with the youthful group having performed beyond expectations, narrowly missing out on finals after a few near losses. We had 31 debutants included 2 of our Futures players and great to see our regional impact with 20% of players being from our regional zone. Individual excellence was seen through Hudson Walker, Wes Walley and Rydn Rae-Anthonysz making the state 18's winter squad and captain Lucas Santich, Dwayne Ryder + Rydn making the 2025 colts team of the year.

Thanks to all staff for their dedication over the season, it's a huge commitment for the club. Great to see our Coaching, S&C and Medical team working well both on and off the field, making for an enjoyable environment at Subi Colts.

Futures and Development Squads

Futures returned back the 7 game fixture and after a long preseason, players were jumping out of their skin to play. Led by John Simmons in his second season, the training block was streamlined with the new 15s program being connected to Futures.

With this group, we decided to run with a reduced local squad of 23 players to put more focus on developing fewer players in preparation for their colts season. To add to this squad, we had 6 underagers, gave 13 overagers opportunity to ready themselves for colts & 12 regional players (in addition to 5 in

the above groups). In a competitive age group, the team did well finishing off strong with 4/7 wins and a strong group to move into the 2026 colts.

Our 14 and 15 Development Squads were the strongest year groups in the last 5 years at the football club and should show with a number of players moving into senior football in the years to come from our local district.

15s led by John Simmons and our Futures coaches & 14s with a new look coaching line up of returning colts player Jayden Crane and a bunch of passionate and experienced coaches were all fantastic with running their respective programs and preparing boys for their carnival games and next programs. We had 3 games against first timers South West Academy, then Claremont and East Perth. The 2 months of training proved successful with some very solid results across the 12 games & an exciting bunch for years to come – keep an eye on these boys.

Regional Zone Report

It was another strong year in growing our connection with our regional zone of hubs in Kalgoorlie and Esperance as well as a solid year for respective football Leagues. The GFL welcomed new president Will Hansen and had a successful season across the board with great representative carnival results and Stu Tholstrup and his team in Esperance had another successful season – well done.

Subiaco FC managed a few new initiatives in the regional area including; A preseason exhibition game between the GFL and EDFA Lions Pride Academies, Kalgoorlie July Holiday Clinic, Football and school clinics run in Leonora and Laverton and a girls representative team in the July school holidays with a few new exiting initiatives on the horizon.

The highlight of the season as usual is the 15s regional carnival in the July School holidays, where a representative team from Kalgoorlie and Esperance play against other WAFL regional hubs. Our 15s boys played well in the second week against Great Southern and Midwest & had special presentations from some of our League Regional boys in Ryan Borchet and Trav Shearer. Girls played in the 1st week and did well against mainly Perth metro teams in their first look at this carnival.

Thanks to all the parent helpers + coaches – Kris Starcevich, John Simmons & Rhett Fosters, these carnivals aren't possible without your help.

A massive shout out to the Goldfields Regional Specialist, Eshe Christie, our link with the zone has never been as strong thanks to the hard work you put in. Its great to see schools in the area getting the focus on football and more numbers getting into local clubs as a result. A number of our new projects wouldn't be possible without you, we look forward to continuing to work closely with you into 2026 and beyond.

A final thanks to those at the club on behalf of the talent program. To Russell Smith and the board of Directors – the vision and direction for the club you are driving is exciting and positive, look forward to rolling it out. To new CEO Kellie Properjohn, the eagerness to get the club back on track is fantastic and look forward to working under your leadership. We welcome Jarrod Schofield back to the club and know your expertise will upskill all our pathway coaches. And lastly to the team in the office, thanks for your ongoing support of myself, thanks Mia, Joey, Ben & Said – a small but tight knit family.

Stuart Berryman
Talent Manager

Colts Coach's Report

Moving into season 2025 and my third season year of Subiaco colts presented an opportunity to build upon a strong couple years with what looks to be a promising group of boys. The season wasn't without its challenges but what was achieved over the course of the program with the backing of a panel of staff was strong and crucial to the development of the next group of Subiaco senior players.

Our preseason at the new home of Subiaco Talent and Women's Football at Des Penman built the platform for the boys to have success over the course of the season. The S&C team lead by Mack and Jimmy went to work on building a strong fitness base while the coaching group started early on educating players around their role in each line. Preseason camp was invaluable for building the bond between players in what built to be a very close-knit group of boys.

After narrowing the group of 75 down to 50, the squad was ready to take on the 2025 season. The start to the season was tough with the squad not performing to their capacity going down in the first 3 games but following with a season highlight game against Perth which was the season swing around winning 4 out of the next 5 and knocking off Claremont for the first time in 3 seasons. The second half of the season the team struggling for consistency with personnel changes and multiple byes, however, was pleasing as a coach to see the group find some strong form in the last 4 fixtures and if not for a last second goal, be pushing hard for finals.

Colts football is a big step up from the Futures program and the 52 boys who played this season including 32 debutants should be proud of their efforts and contribution to the team. Some notable debutants: Jamie Woodward who trained all 2024 without a game, Kyan Perera who missed 75% of the season with injury but able to push through adversity and play some strong games and push into the 2026 state squad, and Latrall Thomas who came out of the blue from Kalgoorlie and look forward to seeing him in Perth 2026.

Well done to our State representative; Hudson Walker, Wes Walley and Rydn Rae-Anthonysz who was a late addition after finding some strong form. Wes was also part of the National academy, well done boys and best of luck for what the future holds.

We had a strong leadership group this season led by Lucas Santich. Lucas was one of the strongest captains in my time coaching and instrumental in building the close cohesion that these boys had, thanks for your effort's boys.

Thanks to our Subiaco FC talent sponsors, without your support we couldn't run the program the way we intend, thanks to; AE Hoskins, McKay Drilling, MudLogic and Ben Keevers from Ray White.

I was lucky enough in season 2025 to be in the coaching panel for the state 18s academy and as a result have relied heavily upon the team of coaching staff not only to run their own lines but step in at times throughout the year to cover my role.

Thanks to you guys for the effort and laughs. First Dave Hay who stepped up to fill my shoes in my absence while also looking after the forward line. Next Ant Detata in your first year as line coach have stepped up seamlessly and lastly to Dave Durham who was asked to fill the defensive coach role 1 week into the season and managed without a hitch and fitted into the group well, thanks for all your help.

Thanks also to all our other staff for your support throughout the year:

Support staff: Jeff Hoskins, Noah Hay, Dylan Cordier, Chad Walker, Mark Sandwell, Jack Rolfe, Calvin Ko.

Medical & S+C Staff: Cayden Baker, Mack Liddelow, James Whitechurch, Rosie Page, Shanara Wijethunga, Monique Brocklehurst.

I would like to say my thanks to the Club, to Russel Smith and the Board of Directors, thanks for believing in me to run a successful Colts program and the direction you give to the club, exciting times ahead.

Thank you to the support of Kristian Diction and Beau Wardman, the guidance of your program was appreciated over the course of the year and look forward to working with Tim Marley and Jarrod Schofield with the new era of the club.

My last thanks are to the wonderful talent manager Stu Berryman, you've put together a great program together through development squads to colts and know the future of the club is strong with your influence and support of those around you.

I look forward to taking on the challenge of another season and my last as head coach of Subiaco colts for 2026. I am excited to work with a new year group that shows lots of promise and know will respond to a big preseason in a months time. Jump on board and follow the future of the club, it is going to be a bright one!

John Mansbridge
Colts Head Coach

Commercial Report

Partnerships

The season got off to a positive start from a partnership perspective with our premier partner since 2019 Holman (now trading as RWC) extending their partnership of the Club for another two years. This support is vital to the Club's sustainability and greatly appreciated.

We were also able to sign a number of new partners this year including Community Partner and aptly named; Subi Group, Gold Partners; Bedbuyer and Ray White Keevers Group; and Maroon Partners; Innovation Blinds, La-Z Boy, Siena's, Subiaco Hotel, Bunn Mee, Yo Chi Leederville, Anglo Pacific and Aires Security.

Other commercial partners for the season included:

Sullivans Logistics, Healthway –Think Mental Health, North Perth Community Bank, AE Hoskins, Pheonix Motors, Burley, SKG Radiology, Pragma Lawyers, AndersElite, Drive Personnel, The Leederville Hotel, CUB, Home Collective, Mudlogic, McKay Drilling, Corp Cloud, Driftwood Wines, ISC Apparel, WestAuz Mining, KC Sports, Scotts Printing, Topolinis Caffé, Nichols Building, Black Swan Concrete and Coring, Crushing Services Australia, Duke Medical, APE Medical, Bridie Industries, Quest Rheola, The Shoe and The Sandbar.

The Club was also on the receiving end of some very generous donations which help rejuvenate some corporate areas at the venue, including a number of big screens from Corp Cloud, picture frames from Quest, a new ceiling from Bridie Industries and a new floor from Panther Protective Flooring.

Match Days

The year started with high hopes of us having our first few home games in April under lights with the proposed installation of 1,000 lux lights at the venue. There were some delays with the instal which required us to make some last-minute adjustments to our schedule and our match day planning.

Once installed, the lights and subsequent evening fixtures were a significantly different match day offering and it was noticed that they attracted a younger audience and higher per person spend to these matches. We also had some great evening fixtures later in the season with our colts and female teams getting to play under lights – something they thoroughly enjoyed.

Some of the better match days of the year were the Life Members Luncheon which saw us also record an upset win against East Fremantle, an East Perth away game victory celebrating the 2015 premiership reunion, Women's Preliminary Final Round and our 7 June fixture with Men's and Women's teams playing on the same day. This day was also our club Ladies Day event, which is the biggest social match day of the season, and is gaining a reputation as the biggest and best Ladies Day in the WAFL. Well done to the committee who put this event together.

Membership

Our final membership number for the year was 1,131 which was slightly below what we had hoped for going into the season, although the revenue generated was slightly up on last season.

We are confident in growing this critical number next year with some new initiatives and some of the positive improvements happening at the Club on and off the field.

There was a positive Membership forum held in the middle of the year which attracted some positive discussions, and the Members Match Day for the final game of the year was a great opportunity for us all to network and enjoy one another's company.

Player Sponsors

Our player sponsorship program was a shining light this year with 147 players securing themselves a sponsor. The majority of this group is made up of small to medium businesses – many of whom are looking to grow their network. Funds received through the Player Sponsor program were vital to helping support our football programs and improve the support that can be offered to players.

In May, the Club engaged Hawthorn champion Luke Hodge for a Leadership Luncheon and a number of Player Sponsors got involved in what was a great event. The Leederville Hotel put on an amazing meal and the event help raise \$15,000 for the Club. This event proved what can be possible when we get a quality presenter, engage our community and utilise our fantastic function room to its potential.

In Closing

The focus now turns to 2026 and trying to continue to improve the Club's commercial suite of offerings to help support the growth of our football department. It looks like there will be some great functions on the horizon for 2026 with some premiership reunions on the cards. It will also be a focus to get more past players back to the Club on match days.

I'd like to thank all those Sponsors, Player Sponsors and Members who contributed to the Club in 2025. Also, thanks to the staff who have all worked hard to try and improve the Club. A big thanks to the TRG who volunteer behind the scenes to beautify the club every Tuesday. Mia Contessi has done some great work in the Marketing and Membership space in the past two seasons and outgoing staff. Peter Capes, Karen South, Kristian Dicton and McKenzie Shepard have all been great support over the journey.

Hopefully the Club can continue to improve with the support of our community to climb back up that ladder where we belong.

Joe Georgiades

Community Report

The Subiaco Football Club continued to strengthen its community impact through initiatives that celebrate inclusion, connection, and opportunity across both our metropolitan and regional zones.

Goldfields Engagement

In partnership with the Waalitj Foundation, the Club traveled to Kalgoorlie, Laverton, and Leonora, creating meaningful connections and fostering participation in regional communities. The trip began with a clinic at the Railways Football Club for 22 young participants, followed by school holiday sessions in Laverton attended by 20 local kids. Each participant received a Subiaco and Waalitj-branded gift bag and every clinic concluded with a community BBQ to promote connection and conversation.

The program culminated in a large community day featuring an Auskick clinic, a local football match and a family BBQ, drawing over 80 attendees. While Leonora saw reduced participation due to conflicting local events, the visit laid important groundwork for future engagement. Subiaco Football Club and The Lion Foundation remain committed to supporting Waalitj in the Goldfields by building a sustainable, long-term partnerships that continue to deliver positive outcomes for regional and remote communities.

Auskick Gala Day's

Closer to home, the Subiaco Football Club and its Women's Program played an active role in supporting the first-ever All Girls Auskick Gala Day at Des Penman Reserve in Nollamara, a landmark event in the growth of women's football in Western Australia. Led by Subiaco WAFLW player and Women & Girls Community Football Manager, Lisa Steane, the Club helped drive participation, visibility, and leadership at the event, showcasing its commitment to inclusive pathways and community connection.

The historic event brought together more than 450 girls aged 5–12 from over 40 community clubs across Perth, representing every WAFL district. Featuring AFLW players and head coaches from the Fremantle Dockers and the West Coast Eagles including Lisa Webb and Daisy Pearce, a pioneer of women's football and recent Australian Football Hall of Fame inductee, the day embodied the energy and spirit of the next generation of female players.

As Lisa Steane reflected, *"This is a landmark moment for footy in WA. It's amazing to see so many clubs come together to celebrate the power of girls in our game. It's not just about participation, it's about developing a genuine, long-lasting love for the game."*

The event's success was echoed by clubs such as Ocean Ridge ("the girls couldn't stop laughing and smiling all morning") and Aveley ("it's lit a fire to get more girls involved in Auskick"). Importantly, this growth is reflected in the numbers. Girls' Auskick participation increased by 8% in 2025, with the number of all-girls programs nearly doubling to 98 statewide.

The All Girls Gala marked a pivotal moment for female football in WA, and Subiaco's involvement highlights the Club's ongoing leadership in shaping inclusive pathways and creating opportunities that inspire the next generation of players.

This year's Auskick Gala Day was hosted at Sullivan Logistics Stadium for the second consecutive year and was another great activation with our local football community. On a perfect autumn day, six of Subiaco's seven zoned metro clubs were represented, with over 30 Auskick teams and more than 500 children participating in multiple games against other teams. For many families, it was their first Subiaco Football Club match day experience, creating an important entry point into the Subiaco community.

Kingsley JFC and Kingsway JFC led the way on the sausage sizzle, raising valuable funds for their clubs, while lucky attendees took part in skill drills with Subiaco players and received giveaways from Sullivan Logistics and the Fremantle Dockers. The event was held prior to the Club's home fixture against PeelThunder, with many families staying on to enjoy the football and atmosphere.

The Club extends its sincere thanks to Jake Carter (WA Football) for coordinating the day and to Gold Sponsor Home Collective for their ongoing support of this fantastic community event.

Financial Report

I am honoured to present the Club's financial results for the 2025 financial year. While the overall profit and loss outcome was not ideal, the Board and Management have remained focused on identifying operational efficiencies and driving continuous improvement. These efforts build upon the strengthened processes and systems established in 2024.

With the successful lease extension for a further nine years, the Club has made strategic investments in its facilities, including the construction of a new deck area and a contribution to the oval redevelopment project.

Earlier in the year, the departure of our bookkeeper prompted Management to review the Club's financial operating model. After a thorough assessment of potential providers, Carbon Group was appointed to deliver outsourced bookkeeping/CFO services, given their proven experience within the WAFL and their operational scale. The transition has provided valuable insights, which will guide refinements to the scope and service delivery in 2026.

Global market volatility during the year presented challenges for our Subi Forever Fund Committee, yet their disciplined and expert approach once again ensured sound investment outcomes. The Club's investment portfolio continues to deliver strong dividend cash flows and sustained capital growth, underlining the prudent stewardship of this important fund.

Looking Forward

The Board and Management remain committed to modernising and streamlining Club operations to ensure long-term financial sustainability. A key focus moving forward will be the diversification of revenue streams to support our competitive ambitions on the field. We will continue to invest strategically in football development, operational capability, and regional engagement, particularly across the Goldfields and Esperance regions to attract new sponsorship opportunities and strengthen the Club's presence.

Acknowledgements

I would like to extend my sincere appreciation to the following individuals and groups for their contribution and ongoing support:

- Finance Committee members – Karen S. and Peter C., for their support over the years.
- Subi Forever Fund Committee members – Bret H., John G., Michael L., and Tim C., for their expertise and long-term dedication to the Club's financial wellbeing.
- All members – for your unwavering support, loyalty, and trust in the Club.

Luka Zivkovic
Treasurer/Director of Finance

New Life Members

Ben Sokol

Ben Sokol's Subiaco journey is built on consistency, impact and seizing big moments. He played exactly 150 League games for the Lions, retiring at the end of 2024 and earning a spot among Life Members. Ben's record speaks volumes – three WAFL premierships, two Bernie Naylor Medals as the league's top goalkicker, multiple leading goal kicker awards at the club, and a Simpson Medal for being best on ground in the 2019 WAFL Grand Final. Off the field Ben dedicated his time to mentoring young players. Sokol has undoubtedly earned himself Life Membership.

Peter Capes

Peter concluded his tenure as Subiaco CEO after 15 remarkable seasons with the club. Since joining in 2010, he has overseen a period of exceptional success both on and off the field. Under his leadership, the Seniors, Reserves, and Colts claimed a combined 10 Premierships. Off the field, Peter navigated major challenges with vision and resilience – renegotiating the Subiaco Oval lease in 2011 to secure the club's financial future, managing the transition from Subiaco Oval to Leederville Oval, and steering the organisation through the unprecedented challenges of the COVID-19 era. Few are more deserving of Subiaco Life Membership than Peter Capes.

Nigel Hamilton

Nigel's journey with the club began in 2013, and his unwavering commitment has since become a cornerstone of the club's success. As Senior Assistant and Midfield Coach, Hamilton has been instrumental in leading the team through 19 finals and 7 league grand finals, contributing to multiple premierships. His dedication extends beyond coaching; he has served in various roles, including Line Coach, Chairman of Selectors, and Reserves Coach, forming lasting relationships with players and staff alike. His exceptional service makes him perfect addition to our Life Members.

Golds Report

The Subiaco Football Golds Association is a coterie group that has been proudly serving the Subiaco Football Club since 1972.

It has had a long tradition of meeting once a month for an evening of food, fun and connection to the club and community through talks and Q&A with Players, Club Officials and interesting people from outside the club.

This year we have had Ladies Captain Tess Lyons, Board Member Garry Addison, Commercial Manager Joe Georgiadis, North Beach Legend Neil Savage, and Club President Russel Smith as guests.

They have all been great, providing insights into the administration of the club, the men's and women's programs and how other organisations outside the club work in and their communities.

The dinners featured scotch fillet, homemade lasagne, broccoli salad, greek salad, garlic bread, tiramisu and apple cake. The gourmet food was provided by Dee Kitson, Alison Worthington, Sue Orcon, Felicity Searl, Jeanne Thomas, Andrea Morgan and Jeff Hatcher. We are never going to fade away.

Special entertainment was provided by our "Joke Master" Angelo Pocaro and "Quiz Master" Jim Simmons, "Fines Master" Wayne Barron.

On top of our dinner meetings the Golds have conducted other fund-raising activities via meat raffles, super66 and sausage sizzles with the money raised going towards selected activities.

The primary beneficiaries have been the players and this has allowed our members to directly engage.

During the course of the year the Golds raised about \$7,000.00 and distributed \$6,600.00 which was close to equally distributed between the men's and women's playing groups.

We funded players' BBQ's, Dinners and B&F prizes.

Special thanks to the committee who were always first to put their hands up to turn a sausage. Dee Kitchen, Bob Pratt, Michael Fotios, Jeff Hatcher, Alison Worthington, Sue Orcon, Jeanne Thomas, Ross Lockhart.

As a coterie group we are always keen to increase our membership if only to join us for the dinners.

Of course, any further help that can provide us with our fund-raising activities will be greatly accepted.

Brad Lohoar
Golds President

Tuesday Response Group

Once again, a busy year for the TRG.

Starting with getting Des Penman Reserve ready for use as a training facility for our League, Women's, Reserves and Colts sides. Then back to Leederville to a bit of a bomb site to do what we could to make it as pleasant and useful as possible. Putting up memorabilia in the new deck area, mounting TV's, whiteboards, maintenance, painting, weeding and general cleaning.

It's not all work though, always time for a cuppa, cake and a few stories and a joke or two at morning teatime. Thanks to all of the TRG for your efforts and good company, especially our reluctant Treasurer, Angelo Porcaro, who has done a great job.

If you are interested in joining us, or just to have a look at what we do, please contact me on 0418 498 784. Looking forward to the new era at Subi- Go Lions.

Rob Nylander
TRG Lead

Community Raffle Report

This year the Club again ran our Community Raffle from May to August which raises money for the Club to continue to invest into our junior districts and also helps the junior clubs who participate to raise funds for their own expenses.

We'd like to give a big thanks to Sorrento Duncraig, Carine, Warwick Greenwood, Kingsley and Kingsway Junior Football Clubs who participated. This year's Raffle was supported by Motive Travel, Holman and The Loftus Centre.

Winners were:

- \$5,000 Travel Voucher- Peter Sinfield
- Fremantle Dockers Suite- Natalie Costin
- West coast Eagles Suite- Katri King
- Holman Backyard Package- Oscar Smith
- 12 Month Loftus Gym Voucher- Jimmy Martin

Finally, a big thanks to all the Subi supporters who again purchased a ticket and helped the Club raise some much-needed funds.

Little League Report 2025

Well, there we have it, the end of my 30th year as Little League Manager.

I am now retired and happy, after another successful Little League season, marking year number 30.

The year started a little differently due to upgrades to Sullivan Logistics Stadium. At our first home game our change room was up in the heavens at Leederville Oval and as we were going down to the reception area, I crossed paths with Dermot Brereton and he became our first speaker to address the Little League players this year. He was closely followed by Russell Smith (Rusty), our President who was able to address the Little Leaguers at each home game. Thanks heaps, Rusty. Other well-known identities to speak to the juniors included Mal Brown and his son, Campbell as well as Matty Priddis. It's hard to know who benefitted more, the kids or the adults.

We played 300+ junior players this year. Unfortunately, we were unable to have representative teams from Kalgoorlie or Esperance. All local teams were, however, represented and a special thanks goes out to all those Junior Clubs that have participated and helped me out over the last 30 years.

Special thanks to Joey Georgiades for his involvement and organisation of the Little League teams. Your help behind the scenes has been very much appreciated.

Thanks to Peter Capes and Subiaco staff for being 100% behind our Little League, as always. Peter has shown great enthusiasm and interest in me and the Little League program over his 15 years as C.E.O. Thank you so much, Peter. All the best for your future.

We had a range of coaches and players speak to the juniors throughout the year. We even had talks in the League meeting room.

It goes without saying that I give special thanks to my wife – best team mate who did all the one-percenters.

Over the period of my time as Little League Coach, we have:

- hosted 13,500 junior players in Little League
- played in 16 Grand Finals
- won the Cup or Shield 16 times
- in 2018, all four Subiaco teams won the Grand Final – that being League, Reserves, Colts and Little League
- had 12 Little League players who have gone on to play in our Subiaco League teams in the Grand Finals of 2006, 2007 and 2008
- had 15 Little League players who have gone on to play AFL
- had about 8-10 father/son players
- had a guy who chose car racing over football, that being Daniel Ricciardo
- had Justin Langer addressing and motivating the Little League players since 2006
- in 2025, had the President, (Russell Smith), Lines Coach, (Matt Priddis), Captain, (Greg Clark) and Vice-Captain, (Taj Schofield), all former Little League players.
- had the longest serving coach, that being me ... haha!

I would sincerely like to thank the Subiaco staff and key personnel, coaches, players and supporters for your encouragement and enthusiasm behind Little League. As stated in last year's report, this has been the best job going at Subiaco. It's not been hard to put smiles on kids' faces.

Never fear, you haven't seen the last of me. I will always be ...

Hilly (100% Subi) R.A.H. – Retired And Happy

Krstel Petrevski Wins 2025 Dhara Kerr Medal

Subiaco star Krstel Petrevski capped off a remarkable season by being crowned the 2025 Dhara Kerr Medallist, claiming her maiden title after an outstanding year in the WAFLW competition.

A prolific and consistent performer, Petrevski was instrumental in our rise up the ladder, averaging 26.1 disposals and five tackles per game across the season. Her consistency and leadership through the midfield saw her dominate the vote count, finishing with a total of 26 votes to secure the league's highest individual honour.

Reflecting on her achievement, Petrevski spoke of her deep connection to the club where her senior football journey began before being drafted to the Melbourne Football Club in the 2019 AFLW National Draft.

"To my teammates and the football club, it's a great privilege to play for Subiaco and I'm incredibly privileged to wear the gold and maroon. I can't be the footballer I am without you guys. You make me a better player. I've made lifelong friends and family."

"To the football club, thank you for investing in the women's program. It takes more than just the team it takes the whole football club so thank you for your support."

Subiaco congratulates Krstel Petrevski on her outstanding achievement in winning the 2025 Dhara Kerr Medal. Her performance throughout the season exemplified the values of our club- hard work, humility, and passion for the game. Krstel's leadership on and off the field has been an inspiration to her teammates and a source of pride for everyone at Subiaco. We look forward to seeing her continued success in maroon and gold.

Notable Passings

Tom Robbins

159 Games (1956 – 1964),
and Fairest & Best Winer (1958 & 1861)

Tom proudly wore the maroon and gold from 1956 to 1964, playing 159 league games and winning our Fairest & Best in 1958 and 1961. He also represented Western Australia with distinction and was regarded as one of the finest wingmen of his era. Tom was awarded Subiaco Life Membership in 1973.

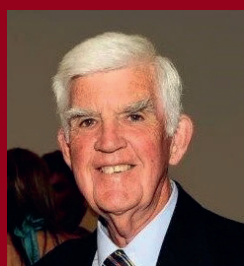

Tom's impact went far beyond his playing days – his loyalty, humility, and love for the game became part of Subiaco's DNA. His legacy continues through his grandson Josh Robbins, who now represents the Lions with the same pride and passion that Tom once did.
